HOUSE OF WORSHIP AT CASA VERDUGO IS DEDICATED

IMPRESSIVE CEREMONY TAKES
PLACE SUNDAY; DR. DAVIS
OF PASADENA SPEAKER

Dedicating their new Sunday school building as "a house for the worship of God," nearly 100 members and friends of the Casa Verdugo Methodist Episcopal church congregation gathered yesterday afternoon at the building site, North Central and Park avenues, for the formal laying of the cornerstone.

While Dr. W. L. Y. Davis, Pasadena district superintendent, preached the dedicatory sermon, Dr. E. O. Thayer, pastor of the church, was assisted in the services by the Rev. V. Hunter Brink, pastor of the Central Avenue (South Glendale) Methodist church; the Rev. C. R. Norton and the Rev. Julius Soper of the Methodist church, and the Rev. E. E. Ford of the First Baptist church.

Bird's Song Good Omen
"God Is With Us" was the subject for the sermon by Dr. Davis who drew many analogies, both from the Bible and life today, to prove that His watchfulness never ceases and he emphasized the fact that "if a man sins he suffers, but God can forgive him as we forgive our children."

During this discourse a mocking bird resting on the steeple of the newly-built edifice sang its praises to God which was considered an omen of good fortune for the church.

Prior to the laying of the cornerstone, a brief financial statement was read by Henry J. Olmsted of the building committee, which revealed that the structure would cost in the neighborhood of \$15,000, of which \$7000 has been raised. A drive for the balance of the \$8000 to be paid within three years will be instituted this week by the committee, John W. Cotton and George W. Tyrrell, also being members.

Marble Slab Is Placed

The builders, C. Edwin Murphy and his father, George Murphy, were then called to place the cornerstone—a marble slab donated by J. E. Phillips—into which were put copies of the Journal of the Southern California Conference of the Methodist Church, the California Christian Advocate, The Glendale Evening News and other local papers, a list of the trustees, stewards, officials, builders, district superintendent and resident bishop; a brief inscription by J. W. Cotton and a copy of the Holy Scriptures.

At the conclusion of the services all present were invited to inspect the convenient structure which will serve as both Sunday school and church until the congregation feels able to build a more imposing edifice of which the present building will be a part.

Mock Menu Causes Real Consternation

The Centenary Workers' class of the Casa Verdugo Methodist Episcopal Sunday school have just closed an exciting attendance and membership contest. As a fitting climax the defeated side entertained the winners last Friday night at a banquet at the home of their teacher, Miss Edna Murphy, 421 North Brand boulevard.

The table decorations were in pink and white, with centerpiece of sweet peas and dainty pink rose favors. Surprise and consternation reigned when the defeated side served themselves with real eats and the winners with a mock menu.

"A hot square meal" proved to be merely a cracker with some pepper sprinkled on it; "tubers a la shell," potato parings; "concentrated odors," onions, and so on. The hostesses were forgiven later, however, as all were served again and enjoyed the delicious dinner together.

Covers were laid for eleven: The Misses Doris Alexander, Ruby Smith, Julia Goetz, Margaret Robinson, Helen Payne, Marjorie Muff, Edna Murphy, Lela Smith, Thelma Underher, Ida Beck and Helen Porter.

German Artillery Is Offered To Glendale

Galen H. Weich, chairman of the local Republican committee in the ninth congressional district, has called to the attention of the Glendale city officials that Congressman Walter F. Lineberger can obtain a piece of German artillery to place in a park here. City Manager T. W. Watson has replied that Glendale would be glad to accept the offer provided it entailed no expense.

Loses Half Dollar; Search Reveals Total Of \$2.14 In Change

Jesse Chambers had just eaten breakfast in Pope & Tollet's confectionery and cafe, 111 South Brand boulevard.

He smacked his lips in satisfaction as J. A. Pope tossed him a half dollar in change.

But money is "most awful" slippery these days and the coin slipped through Chambers' fingers and away it rolled.

Pope spied it, covered the half with his foot and watched.

Sure enough, the search was started.

Enlisting the other customers, Chambers moved the cigar counter, cash register and ice cream packer in the search for his change.

A total of \$2.14 in pennies, nickels, dimes and quarters was found in the crevices, but not the hidden half.

Pope thanked his guests for digging up all of the lost profits and condescendingly gave Chambers 50 cents for his trouble.

All of which made Jesse remark, "I'd give this 50 cents to know where that half dollar went."

Then Pope lifted his foot.

Baroness in South

"Tis the Baroness, I'm told, who is to be seen cantering about these brisk mornings over the bridle paths of the Verdugo foothills."

That part of a conversation in La Crescenta led a representative of The Glendale Evening News to investigate and it was learned that:

Baroness Amerongen of Holland and now of Pasadena, former owner of the ex-Kaiser's residence, is a daily visitor at the Onondarka riding academy at La Crescenta.

With the nobility is to be found many other prominent Pasadena society people who enjoy the recreation to be found in horsemanship.

Mrs. Maude Salom Is Taken By Death

Word has been received of the death of Mrs. Maude Salom at her late residence, 316 West Park avenue, Eagle Rock. She was formerly a resident of Glendale.

Mrs. Salom died suddenly early Sunday morning after a two-days' illness. Mrs. Salom moved to California about six years ago and for two years was a resident of Glendale. She then moved to Eagle Rock where she resided until her death. She had a wide circle of friends, and her kind and cheerful disposition endeared her to all who came in contact with her. She leaves behind a memory of goodness, and her beautiful life, so suddenly eclipsed, creates a loss keenly felt by all her friends.

Funeral services will be held from the Little Church of the Flowers, Forest Lawn cemetery, on Friday, April 15 at 2 p. m. Funeral private, with L. G. Seavern Undertaking company in charge.

Grade Schools Of City In Track Meet

All of the grade schools of the city are entered in the "All Glendale" grammar school track meet which is being held this Monday and Wednesday afternoons at the Intermediate school grounds, according to A. T. Blanford, athletic director.

Every school has made full entries in each event as follows:

Four events for third and fourth grade boys of the midget class.

Nine events for fifth and sixth grade boys in the unlimited class.

Two events for ungraded boys which will be special.

A banner will be given the school's team which wins the most points in all classes; a large ribbon for the school winning in each individual class; and ribbons to the boys placing first, second, third and fourth.

The meet is under the direction of the playground teachers of the various schools.

John W. Sharpe Is Recent Visitor Here

John W. Sharpe, son of Mr. and Mrs. J. W. Sharpe of 1141 East Elk street, left Glendale Saturday evening after a week's visit with his parents. He was accompanied by his wife, who has been visiting here for some time. The couple are living at Taft, where Mr. Sharpe is employed as tool dresser in the oil fields.

Mrs. Sharpe, who was formerly Miss Evelyn Carton of Denver, Colo., was married to Sharpe about three months ago, immediately after which they located in Taft. Young Sharpe is an old Glendale resident, having lived here about eight years.

JUNIOR BRANCH OF GLENDALE MUSIC CLUB FORMED BY MEMBERS OF J. O. C. CLASS

VEDA KNAPP IS CHOSEN FOR
PRESIDENT; YOUNG PEOPLE
INVITED TO JOIN

In a delightfully informal manner a group of young people of Glendale met at the home of Mr. and Mrs. Spencer Robinson, 1234 East Windsor Road, Saturday night, and organized a Junior Auxiliary of the Glendale Music club. Mrs. Robinson, elected as temporary chairman, presided until the election of officers filled the positions as follows: Veda Knapp, president; Julia Robinson, first vice-president; Constance Braasch, second vice-president; Genevieve Mulligan, recording secretary; Kenneth Jackson, treasurer; William Farmer, historian.

Mrs. Mattison B. Jones spoke of the aspirations of the music club and of the arrangements in progress for the social side, as well as musical, in the endeavor to entertain the youth in a satisfactory manner.

The organization is open to boys and girls from 14 to 20 years of age, whether musically inclined, or without talent, and the fee is 50 cents to those joining early, who will be known as charter members.

Those who became members at Saturday's meeting were Elizabeth Mottern, Constance Braasch, Julia Robinson, Veda Knapp, Reba Phillips, Francis Smith, Malvern Lawver, Lawrence Knapp, Genevieve Mulligan, Leatha Colton, Lloyd Knapp, Ethel Burke, Ruth Goldsborough, Francis Goldsborough, Wesley Pomeroy and Irene Miller.

A splendid program was enjoyed, as follows: Vocal solos—"Mittin' Atta" (Leon Cavallo) and "Dawn" (Gertrude Ross) by Elizabeth Mottern; piano solo, Grieg's Opus 24, by Constance Braasch; vocal solos, "My Desire" (Nevin) and "At Dawning" (Cadman), by Mrs. Spencer Robinson; piano solo, "Swan Song" (Saint Saens), by Reba Phillips; vocal solos, "Oh Let Night Speak of Me" (Chadwick) and "Believe Me If All Those Endearing Young Charms" (Moore), by Spencer Robinson; vocal duet, "Shadow Time" (Lynes), by Mrs. Natalie Hall and Mrs. Spencer Robinson; trio, violin, Julia Robinson; clarinet, Tyler Robinson; piano, Constance Braasch.

Young People Praised

Much praise was due the young people for their part in the well-rendered program which was entirely impromptu and their talent gives promise of later achievements.

Refreshments of punch and cake were served by the hostess, Mrs. Robinson, and her daughter Julia, and were much enjoyed.

Those present from the Glendale Music club were Mr. and Mrs. Spencer Robinson, Mrs. Mattison B. Jones, Mrs. Dora Gibson, Mrs. H. Sonntag, Mrs. Natalie Hall, Mrs. W. N. Beach, Miss Gertrude Champlain and Miss Eva Daniels.

The next meeting will take place on Saturday evening, April 23, at 7:30 o'clock, at the Robinson home, 1234 East Windsor Road, to which a cordial invitation is extended to the young folks of Glendale.

Local Chapter Will Help At Convention

The Eighteenth Annual State P. E. O. convention will convene at Burbank Wednesday, Thursday and Friday, April 13, 14 and 15, with Chapters B. A. and A. H. of Glendale and U. of Burbank as hostesses, at which over 200 delegates from chapters throughout the state are expected to attend. Thursday, April 14, is expected to be the big day of the convention, at which time 200 special visitors are anticipated to attend. One of the spectacular features at the convention will be the famous "Peacock Dance" by Ko Vert.

Carol Willisford Is Guest In City

Miss Carol Willisford, who formerly lived with her parents, Rev. and Mrs. E. H. Willisford, on North Orange Grove street, this city, spent Sunday in Glendale visiting friends. Miss Willisford is residing at Redondo, where she is teacher of English and mathematics at the Union high school there.

Lehman Crandall Is In City On Visit

Lehman Crandall, who returned last week from Catalina Island, is again living with his brother, Cecil A. Crandall of 303 West Salem street. He is planning on returning to Avalon soon.

'MILKMAIDS' CONVENTION' TO
BE PRESENTED; MUSICAL
PROGRAM ARRANGED

The J. O. C. class of the First Methodist Episcopal church will present a play, "The Milkmaids' Convention," in the social hall of the church at 8 o'clock tonight.

Prior to the play there will be musical numbers by the H. V. Brown family, whistling solos by Miss Isabelle Isgrigg, piano solos by Phyllis Kuehny and vocal solos by Warren Peterson. The cast of characters is as follows:

Chairmaid—Editha de Smithe—Mrs. Belle Kuehny.
Secretary—Laureta Jeanette Crabtree—Mrs. Pauline Osgood.
Treasurer—Birdie Larkspur—Mrs. Esther Leeds.

Page—Melinda Seraphina Biggerstaff—Mrs. Charlotte Goss.

The Convention
"Regular Order of Business."

Tuesday Club Plans Musical Afternoon

A splendid musical program will be given at the next regular meeting of the Tuesday Afternoon club, which will be tomorrow at the Masonic Temple, when a recital will be given by Henry Svedrofsky, violinist, accompanied by Albert Adams. Mr. Svedrofsky is assistant concertmaster of the Philharmonic orchestra. He was a student at the Vienna Conservatory of Music, having won a scholarship to that institution, and achieved the distinction of the much-coveted gold medal for general musicianship and solo playing on graduation. Mr. Svedrofsky is also a member of the Noack String Quartet recently organized by L. E. Behymer.

Glee Club Concert Thoroughly Enjoyed

A large appreciative audience greeted the college boys of the California Institute of Technology at the entertainment given at the First Methodist Episcopal church Saturday night. The entire program was good and pleased, as evidenced by the hearty encores. But the accomplishments by Messrs Burt and Barnes on piano, harmonica, banjo, broomsticks as a bow and carpenter's saw as a sounding board, drew round after round of applause. So well did the program please that an effort will be made to get them for another season.

Ten Houses Under Way On 3 Blocks

Probably the busiest thoroughfare, in point of building, in all Glendale is the stretch of three blocks on East Elk street, between Glendale avenue and Adams street. A total of ten houses are now under construction or have just been completed and plans for the erection of several more are also under way. The reason for this sudden boom in this section, which for a number of years has been comparatively inactive, can be attributed to the recent opening of Elk street from the Catholic church building through to Adams street.

Today's World News In Brief (Special Service to Glendale Evening News)

FORMER KAISER NOT PERMITTED TO ATTEND FUNERAL

BERLIN, April 11.—Former Kaiser Wilhelm nor the crown prince will be permitted to attend the funeral of the former kaiserin at Potsdam, it was announced today. Other members of the family, living in Germany, will be permitted to take part in the services. Government officials also granted a petition that the former kaiserin's body be allowed to lie in state prior to the funeral.

OKLAHOMA WINS SUIT AGAINST TEXAS OVER TITLES

WASHINGTON, April 11.—Oklahoma, by a decision of the supreme court today won its suit against Texas over the title to oil lands in the Red River valley, with an estimated value of \$100,000,000 to \$150,000,000. The United States government intervened in the case in behalf of the Indians, backing the position taken by Oklahoma and claiming land in the bed of the river as a public domain. Its claim was sustained.

REPLY TO SECRETARY HUGHES' NOTE TO ALLIES ARRIVES

WASHINGTON, April 11.—A reply to Secretary of State Hughes' recent note to the allies on the mandate question was understood to have been received at the state department today. From how many and what countries a reply had been received officials would not reveal, but it is understood that the answer is to be made public as soon as permission has been obtained from the government or governments concerned.

PRICES HIGHER AT OPENING OF NEW YORK MARKET

NEW YORK, April 11.—Prices were higher throughout most of the list at the opening and during early trading on the stock exchange here today on announcement over the week-end that another parley had been arranged to settle the British coal strike. Most of the favorite speculative issues were half a point or more above Saturday's close. Steel stocks responded less than any other group and U. S. Steel opened at 81, unchanged.

BOY ALMOST LOSES LIFE IN SAVING DOG FROM FIRE

CHICAGO, April 11.—Love for his dog nearly cost the life of Harold O'Grady today. Harold and his brother, Ray, six, live next door to the Livingston warehouse which was burned at a loss of \$100,000. The father of the boys rushed into his home and rescued them. Harold remembered his dog and rushed back in the house after it. As walls were caving in, firemen rescued him. He had the dog.

LORD MAYOR OF CORK MUST LEAVE U. S., IS ORDER

WASHINGTON, April 11.—Donald O'Callaghan, lord mayor of Cork, who arrived in Newport News in January as a stowaway and without a passport, must leave the country. Secretary of Labor Davis made this clear today in a formal statement. He announced that Secretary of State Hughes had denied the plea of O'Callaghan to be allowed political asylum in the United States. O'Callaghan's status is that of an alien seaman, Davis showed, who was allowed to land only temporarily while searching for a berth to reship.

HERE IS SCORE IN CHAMPIONSHIP CHESS CONTEST

HAVANA, Cuba, April 11.—The score in the championship chess match here stood today:

	Games Won	Lost	Drawn
Jose Capablanca	10	2	0
Emanuel Lasker	10	0	2
8			

Champion Lasker admitted defeat on the sixty-third move of the game last night. He continued to play, however, to the sixty-eighth move in order that spectators might see how the loss was inevitable.

HARDING'S TARIFF CONGRESS IS NOW UNDER WAY

WASHINGTON, April 11.—The "tariff congress" got under way at noon today. Called into special session by President Harding, the congressmen and senators elected in November, hurried through the formalities attendant upon their opening sessions. Adoption of rules, the swearing in of members, appointment of committee memberships already decided and selection of a committee to wait on President Harding occupied but a few minutes in the house. The senate, having already gone through many of these formalities, spent even a brief time in session. Tomorrow, the consideration of tariff matters, which leaders have decided to make the first business of the session, will begin.

EXPECT MRS. STOKES TO TESTIFY IN HER OWN BEHALF

NEW YORK, April 11.—The divorce trial of W. E. D. Stokes, multi-millionaire hotel owner, was to be resumed at noon today, with every prospect that Mrs. Stokes would testify in her own behalf before the end of the week. Before Mrs. Stokes takes the stand it is believed that all of the great number of witnesses introduced by Stokes, most of them former servants, will be cross examined in an effort to tear down the "backstairs" testimony connecting the defendant's name with several men. It was indicated, however, by Martin W. Littleton, counsel for Mrs. Stokes, that comparatively little time will be devoted to each witness. The defense has given the impression that its efforts to show an alleged "gigantic conspiracy" on Stokes' part will be made largely through his own witnesses.

NATIONAL LEAGUE OF WOMEN VOTERS IN CONVENTION

CLEVELAND, April 11.—Two thousand women from practically every state in the nation were here today for the opening of the second annual convention of the National League of Women Voters. This is the first convention to be held since women were enfranchised. The sessions, starting today with committee caucuses, will continue through Saturday, April 16. Recommendations for federal and state legislation which will be made by the standing committees to the convention will include: Enactment of safeguards for the mothers and children of America by urging congress to pass the Sheppard-Towner bill, for federal aid for maternity and infant care. To stop the profiteering now going on in the necessities of public life by establishing public markets, abattoirs, milk depots and other terminal facilities.

GLENDALE SCHOOLS SHOW STRONG IN ATHLETIC MEET

PUPILS IN COMPETITION DO
GREAT WORK; PROGRAM IS
COMPLETE SUCCESS

The Eagle Rock Community Fortnight came to a successful termination Saturday at Patterson field, Occidental college, with an athletic gala day. In spite of the early hour at which it began there was a large and enthusiastic crowd on hand. The committee in charge handled the details so well that the program was carried out without a single hitch. The program started at 9:45 a. m. with a military drill by the Franklin High School band of fifty pieces. They made a fine appearance as they went through their difficult movements to the time of the music rendered by themselves. This was followed by the track and field events. These were entered into by over 300 boys and girls representing eighth grade schools and four high schools. The track events were gotten off with unusual rapidity by the starter, Fred Johnson, coach of Hollywood High school, and the field events by Rex C. Kelley of Glendale, Y. M. C. A. secretary, with E. E. Harwood, clerk, of course. No small credit for this part of the day's events must be given to the judges for the manner in which they handled each event.

Glendale Makes Good Showing
Occidental college lost the baseball game to Throop, with a score of 9 to 3. Just prior to this game Dr. E. E. Chandler, Fred Johnson and Rex C. Kelley awarded the ribbons and banners. A goodly number of the ribbons were awarded to the Glendale entries, the schools of this city placing in 22 of the 32 events. The intermediate school carried away the seventh and eighth grade banner for boys and girls. The Broadway school pushed the winners of the third and fourth grade banner very hard and lost to Eagle Rock by a few points.

Glendale schools placed in the following events:

Third and fourth grade boys 25-yard dash—Russell Slocum of the Broadway school, second place.

Fifth and sixth grade boys 50-yard dash—Norman Stanley of the Doran street school, second; Frank Wycoff of the Broadway school, third.

Seventh and eighth grade girls 60 yard dash, all three places won by the Glendale Intermediate school—Eula Linkogel, first; Marjorie Brown, second; Charlotte Blakney, third.

Seventh and eighth grade boys 75-yard dash—Lee Shannon of the Intermediate school, first.

Isaac Van Grove Is Visitor In Glendale

Isaac Van Grove, the only American opera conductor with the Chicago Grand Opera company now in Los Angeles and one of the country's foremost musicians, has been a guest at the home of his parents, Mr. and Mrs. S. S. Van Grove, 314 West Salem street.

Last year Mr. Van Grove was selected by Mary Garden, director and one of the stars of the organization, to accompany her on a concert tour of the United States. While this was a signal honor, when he was given the opportunity of alternating with the Italian and French conductors of one of the greatest opera organizations in the world, it is easy to realize that he has reached the peak of his profession.

Mr. and Mrs. Van Grove of this city take great pleasure in watching their son succeed in his art and were more than glad to welcome him to Southern California for the brief visit.

Dancing Party At Dr. Young's Home

A very delightful dancing party was enjoyed Saturday night in the ballroom of the home of Dr. and Mrs. T. C. Young of 400 North Kenwood street.

The guests included Mr. and Mrs. Harry St. Clair, Mr. and Mrs. Herman Nelson, Mr. and Mrs. A. L. Baird, Dr. and Mrs. T. C. Young, Mr. and Mrs. George Lyons, Mr. and Mrs. W. W. Worley, Mr. and Mrs. Blake Franklin, Mr. and Mrs. Harry MacBain, Mr. and Mrs. Ray Berry, Dr. and Mrs. Staley of Los Angeles, Dr. Tholen and sister, Miss Lucille Tholen, Mr. and Mrs. Monroe McKillip of Chicago, Mr. and Mrs. Harry Hall, Mr. and Mrs. Harry Reeves, Mr. and Mrs. Max Green, Miss Ray, Mrs. Tupper, Miss Cross and Vern Nyman.

Punch and wafers were served during the evening, at the close of which ice cream and cakes were enjoyed. Music was furnished by a three-piece orchestra.

Mrs. O. S. Palmer Expecting Guests

Mrs. C. S. Palmer of 1008 East
Colorado boulevard is expecting the
arrival of Mrs. William Brown and
daughter of Hendrixson, Mo., some
time this week. Mrs. Brown and her
daughter will spend several weeks
with Mrs. Palmer.

Locals And Personals

Miss Nora Warren of Toronto, Can-
ada, is the guest of her sister, Mrs. E.
B. Gleason, of 460 Myrtle street.

Mrs. C. B. Guittard of 524 Patter-
son avenue had as her Saturday eve-
ning dinner guest Mrs. Mangun of
Los Angeles.

Mr. and Mrs. H. Blumenthal of 722
North Central avenue have returned
after several days' visit at San Di-
ego.

Two minor motor crashes were the
only events of consequence reported to
the police department over the
week-end.

Mrs. Louise Walton Stafford of
377 Milford street spent the week-
end with her sister, Ruth Walton at
Puenete.

Born to Mr. and Mrs. T. M. Furst
at a Los Angeles hospital, April 9,
1921, a son, Thomas Martin Furst,
Junior.

Mr. and Mrs. H. G. Hoedinghaus
of 1211 North Brand boulevard spent
the week-end as the guests of Mr.
and Mrs. Harry Lanham of Santa
Monica.

Dr. and Mrs. Charles L. Marlenee
of 301 South Central avenue enter-
tained at dinner yesterday Mr. and
Mrs. Andrew Reid of Long Beach
and Mrs. P. A. Myers of Glendale.

Mr. and Mrs. George C. Hastings
of 319 West Lexington Drive at-
tended the opera starring Frieda
Hempel Saturday night, following
dinner in Los Angeles.

The officers of Glen Eyrle chapter
O. E. S. are the invited guests to a
party to be given this evening at
Van Nuys in honor of Mrs. Anna P.
Barcelo.

Mrs. John Nolan has returned to
her home in Woodburn, Ore., after
a three months' visit with her daugh-
ter, Mrs. Jack Thomas, of the White
Inn.

Professor Guy Goodsell and fam-
ily of South Pasadena visited at the
home of his parents, Rev. and Mrs.
H. Goodsell of 125 West Palmer ave-
nue on Sunday.

Mrs. F. B. Gonzales of 412 North
Louise street and sisters, Mrs. Har-
riet MacIntyre and Mrs. William
White returned today from San Di-
ego where they have been spending
the week-end.

Mrs. E. L. Neff, wife of the
Seventh-day Adventist pastor, Elder
Neff of Garfield street, who has been
ill at the Glendale Sanitarium for
some time, is now so far recovered as
to return to her home.

At the meeting of the P. E. O.
chapters of Glendale, which was held
Saturday afternoon at the home of
Mrs. A. S. Chase of 400 West River-
dale drive, a new chapter, to be
known as Chapter C. J., was formed.

Among the employees of the J. A.
Newton Electric company who en-
joyed a hiking party to Camp Baldy
yesterday were Roy Mason, W. M.
Newton, K. D. Erb, George Brittin,
Ed Randall and Arthur Haines.

A. E. Camp of Pomona, who is
considering moving to Glendale, was
a visitor at the Chamber of Com-
merce headquarters Saturday after-
noon seeking information about the
city.

The young married men's Bible
class of the First Methodist Episco-
pal church were pleased and profited
by an address yesterday morning at
their session by Dr. A. L. Bryant.
The topic was, "Public Health Prob-
lems."

Mrs. Dan Campbell of North High-
land avenue, past grand chaplain of
the state chapter Order of the East-
ern Star, was a guest of Burbank
chapter recently at a dinner dance
given in celebration of the second
birthday anniversary of the Burbank
chapter.

The results of the sale conducted
by the P. T. A. of the Seventh-day
Adventist school Thursday were quite
satisfactory to all concerned. Quite
a sum was realized and the demand
for the cooked foods far exceeded the
supply.

The Girls' Friendly society of St.
Mark's Episcopal church will hold
its regular meeting tomorrow
evening at 7:30 o'clock in the social
hall of the church. Sewing will oc-
cupy the evening after a short busi-
ness meeting.

Glendale avenue has been appointed
by the Tujunga Chamber of Com-
merce to draw a map of the valley
showing Tujunga in its correct loca-
tion with reference to other points,
with roads and distances to other
places.

Mr. and Mrs. Harry Rowley and
daughter, Gladys, and Mr. and Mrs.
Frank Rowley and son of Whittier
were visitors Sunday at the home of
Mr. and Mrs. Pierson Hanning, 235
North Orange street. They renewed
an acquaintanceship made when
both families were residents of New
Mexico.

Locals And Personals

Mrs. R. L. Holland of 209 Arden
avenue is spending several days at
Saboba Springs.

Mrs. E. R. Washburn of Los An-
geles was the guest of honor at a
4 o'clock tea Saturday afternoon
given by Mrs. Catherine Burnham,
205 West Maple street. The invited
guests were Mrs. Washburn, Mrs. P.
E. Cory, Mrs. Vermilyea, Mrs. Huc-
kins, Mrs. W. R. Stokes, Mrs. G. L.
Phillippi, Miss Ruth McBryde and
Miss Vermilyea.

daughter, Miss Bernice Morehouse,
and Mr. and Mrs. Glen Widmark of
1000 and 1006 East Lornita avenue,
attended the services yesterday at
the Christian Alliance Tabernacle at
Seventeenth and Hope streets, Los
Angeles. Evangelist Compton of
Ashville, N. C., delivered the ad-
dress, which was given to an over-
flow attendance.

Kelly & Van Arsdol Reports Upon Sales

Kelly & Van Arsdol, realtors of
300 South Brand boulevard, have re-
cently added many new and high
class citizens to the population of
Glendale, among whom are the fol-
lowing:

Mrs. Carrie Farrell and daughter,
Catherine, who have purchased a
beautiful six-room home on Patter-
son avenue. Their neighbors and
old-time friends have made their wel-
come complete in their new location,
where many happy social events will
ultimately follow.

C. L. Kooman, connected with the
Security Trust & Savings Bank, after
thoroughly canvassing the city of
Glendale for a suitable location, fi-
nally purchased a beautiful five-room
Colonial bungalow on Pioneer drive,
and firmly believes in the wonder-
ful climatic conditions of this com-
munity.

Another good citizen and former
service man by the name of Ralph
E. Moore recently sold his place in
Los Angeles and purchased a five-
room home on Harvard street, where
he is happily domiciled with his
mother.

The Casa Verdugo foothill section
appealed to Mr. and Mrs. Sloan, au-
tomobile accessory people from Los
Angeles, so thoroughly that the pur-
chase of a home on Campbell street
was the ultimate result, and they,
too, are beautifully situated in their
new surroundings.

Mr. M. M. Worthington, a claim
agent with a well-known express
company, purchased a close-in prop-
erty on Harvard street, where he will
eventually build a very fine apart-
ment house.

Thus it will be seen that the re-
cent purchasers of properties from
this same firm are people of keen
business judgment who are highly
pleased with Glendale and are proud
of its future.

Three Families Are Moving From City

Requests for transfer of service
and new electric meter installations
received at the public service depart-
ment at the city hall Saturday were
as follows: A. T. Dobson, from 311
Vine street to Astra Film company;
W. H. O'Brien from 1015 North Cen-
tral to Los Angeles; W. G. Clark
from 119 East Cerritos to Los An-
geles; W. Anthony from 535 North
Maryland to Los Angeles; L. Walcott
from 106-A East Broadway to
136 South Brand; A. L. Mundig, 830
East Colorado; K. Okayama, 301
North Howard; Nellie C. Weegant,
630 North Isabel; B. Nelson, 449
West California.

Two Ex-Service Men Summoned By Death

Edward Parkens, aged 25, son of
Mr. and Mrs. Walter D. Parkens of
Detroit, Mich., a former soldier who
was sent to California by the public
health service in a vain endeavor to
restore his health, died at Thorny-
croft hospital here on April 4. His
body has been placed in a vault at
Inglewood cemetery by Godeau and
Martinoni, undertakers.

Alexander Nicol, aged 25, son of
Mr. and Mrs. Alexander Nicol of
Plainville, Conn., a former navy man,
died on April 7 at Thornycroft, and
his body was shipped to his parents' home
for interment.

Mrs. W. S. Hammond Visiting In Oakland

Mrs. W. S. Hammond, 118 South
Jackson street, who was called by a
telegram last week to be with her
sick daughter, Mrs. F. O. Roberts, at
Oakland, sends word that Mrs. Rob-
erts is resting easier and hopes are
entertained that she will soon be
fully recovered.

Mrs. Hammond will visit other re-
latives and friends in Oakland and
San Francisco before returning home.

SQUEAKING SHOES GOOD OMEN

Theatrical people have many su-
perstitions and they cling to the ac-
tress closely, one being if an ac-
tress's shoes squeak, ever so little, as
he makes the first entrance, he is
assured of a welcome from the au-
dience.

Notice to Builders and Those Contem- plating the Location of Garages.

The provisions in regard to the location and establishment of public garages as embodied in Ordinance 372 have been inadvertently overlooked in that attention has not been called to the provisions of this ordinance making it unlawful for any person, firm or corporation to maintain, carry on, establish, enlarge or extend any public garage in the City of Glendale outside of the industrial districts without first procuring from the Board of Trustees of the City of Glendale special permit for that purpose. No-
tice is hereby given that the provisions of this ordinance will hereafter be enforced.

For further particulars those interested are referred to Ordinance 372 and to the Superintendent of Building.

City Manager.

Light Rainfall Does Good For Ranchers

Showers this morning amounting to .05 of an inch fell over Glendale and San Fernando valley, much to the pleasure of the gardeners and ranchers. This brings the season's total rainfall to 12.72 as compared with 16.01 inches of last year.

F. A. Marek, city forester, says the rain will help surface vegetation quite a bit. "If we had three or four inches it would do a lot of good. We need some hay in the country and grain is suffering for the lack of water."

Mrs. Thomas Watson On Airplane Ride

Mrs. Thomas Watson, wife of City Manager Watson, was the guest of L. C. Brand Saturday afternoon in an aeroplane ride in one of Mr. Brand's new machines. The takeoff and landing took place at the North Glendale field, where the millionaire sportsman recently was host at America's first aerial tea party.

Seek Pictures Of Glendale's Features

By GLEN and DALE
Real estate men and bankers, attention! Have you any cuts of Glendale "business" district you will loan J. A. Newton? He received a telegram from the northern part of the state Saturday saying 120 people from Alameda county had signed up to come and they wanted to show pictures of our town to others to persuade them to attend the State C. E. convention June 25 to 29. The publicity committee needs this material right away. If Glen and Dale can't get the cuts we will be glad to use your pictures and have electroplates made from them. Thank you. Now leave them with Mr. Newton or at the new C. E. headquarters in Roy Kent's office, 130 South Brand boulevard.

This was just one of the many things mentioned at the live meeting of the General Convention committee held Sunday afternoon in the Christian church. Howard Brown presided in his usual jovial manner. Everyone had good reports. Committees are organized and already busy with their plans and costumes. If you really want to know more of these plans just watch this column to see what Glen and Dale are doing. Roy Kent, who is one of the publicity committee, said yesterday afternoon Glendale should be proud of the young men and women who are putting this job over. So say we all. He brought the good news of the hearty co-operation of the Chamber of Commerce, for which we are glad.

Mrs. Ruby F. Alston Is Called By Death

Mrs. Ruby Frances Alston, wife of John Alston, passed away yesterday at the home of her parents, Mr. and Mrs. Oliver E. Wright of 354 Burchett street. She was born in Anamosa, Iowa, July 14, 1892. Beside her husband and parents she leaves one child. Funeral services will be held at the parlors of the L. G. Seaverny Undertaking company on Wednesday morning at 10:30. Rev. Ford of the Baptist church will officiate.

Juvenile Music Club To Pose For Photo

All members of the Glendale Juvenile Music club, of which Miss Elizabeth Thornburg is president, are requested to be at the high school on Tuesday afternoon at 4:30 o'clock, sharp, to have their pictures taken in a group. All new members contemplating joining should be there also and have their picture made with the group. This picture is to be on exhibit the first week in May, so a big showing is necessary. Every member is urged to be present.

Universal Loses To South Glendale Club

The South Glendale baseball nine defeated the team from Universal City with a score of 6 to 3, at the game played yesterday afternoon on the local grounds at Park avenue and San Fernando road. The batteries for Universal City were Cable and Sticky, and for South Glendale Cruze and Gabaig.

The score follows:

IRISH LANGUAGE

The Gaelic language is the original and historical language of the people of Ireland, though most of that country's inhabitants speak English. Gaelic is now taught in the national schools, Catholic parish schools and colleges in Ireland, as well as at Harvard university, Notre Dame university and the Catholic University of America at Washington. There has been a revival of the use of Gaelic through the efforts of the Society for the Preservation of the Gaelic Language.

Lecture By Professor
Max Hill Interests

Prof. Max Hill, principal of the
Seventh Day Adventist school on
Isabel street, gave an interesting
stereopticon lecture in the church
Saturday night. The slides covered
quite a range of territory beginning
with Halifax, and ending with Van-
couver for one series, and taking
the Grand Canyon of Arizona for the
other set of views. The village of
Grand Pre, the place about which
Longfellow wrote in "Evangeline"
was shown; views of the In-
dians of Eastern Canada; the beau-
tiful waterfalls, river scenery and
mountain views of those regions
were clearly depicted. Heights and
depths, snow scenes and views of
Canada, all gave a good idea of that
country. The Grand Canyon views
were realistically colored to convey
some conception of the grandeur of
that waste yet beautiful spot which
man has turned into a park. The
views of the ancient cliff dwellings
now in ruins showed the painstaking
and arduous labor the cliff dwellers
must have put upon these lofty
castles.

The lecture was much enjoyed by
all and the young folks are looking
forward to another lecture by Pro-
fessor Hill on "National Parks," to
be given at a later date.

TOM MIX AND BALL
TEAM BEATEN BY
LOCAL ELKS

LODGE MEN GET RID OF JINX
AND DEFEAT WILDCATS
BY 8 TO 5 SCORE

The Elks' baseball team, which has
been playing hand-in-hand with old
man "Jinx" for the past few weeks,
finally broke its streak of bad luck
and came out on top in a game with
Tom Mix's "Wildcats" yesterday on
their home grounds. The boys de-
cided that they had been beaten by
"breaks" of the game long enough,
and then proceeded to score enough
runs so that they could win in spite
of a little hard luck.

The final score was 8 to 5, the
Elks being in the lead most of the
time. In the first inning they stepped
out and marked up a tally as a
result of the efforts of "Mar" Doll
and Claude Peters. Batting in the
lead off position "Mar" clipped a
clean double to left center and com-
pleted the circuit a few minutes later
on another two-base clout to deep
left.

Crandall, the Elks' pitcher, retired
in the fourth after three runs had
been made and the bases had been
filled. Bolin, who succeeded him on
the mound, held the opposing bat-
ters scoreless in the remaining in-
nings. Crandall pitched excellent
ball for three innings, but was un-
able to keep the pace he had set.

Proving to the 600 fans present
that he was as good an athlete as
film favorite, Tom Mix came through
with two clean hits as well as field-
ing perfectly in center field. Benny,
the "Wildcats' shortstop, was the
fielding star of the day, making some
almost impossible catches around the
short field.

Batting honors for the local team
were evenly divided between "Mar"
and "Ran" Doll and Claude Peters.
Each garnered a brace of doubles,
"Ran's" first one soaring over a tree
in deep center. The score:

San Francisco Has
Lead In Stick Work

SAN FRANCISCO, April 11.—San
Francisco had all the best of the bat-
ting honors during the first week of
the coast league ball season, figures
available today showed.

Of the men who played three
games or more during the week the
leaders were:
Schick, San Francisco, .572; Chad-
bourne, Vernon, .474; Kamm, San
Francisco, .467; Ellison, San Fran-
cisco, .467; Zeider, Los Angeles,
.400; Lane, Seattle, .400; Caveney,
San Francisco, .389.

San Francisco also was leading the
league today, being the only team
which has not lost a game, and Port-
land was in the cellar—the only
team without a victory.

The Seals won twice yesterday
from Portland, 5 to 2, and 12 to 6;
Sacramento beat Vernon twice, 9 to
6, and 1 to 0; Oakland took two
games from Salt Lake, 3 to 1, and
5 to 4, and Seattle and Los Angeles
played twenty-two innings, Seattle
winning, 12 to 8. The Seattle-Los
Angeles game stood as the longest
battle ever staged in Southern Cali-
fornia.

City Charter Pressed
In State Legislature

According to dispatches from Sacra-
mento, Assemblyman John Robert
White of this city has introduced a
concurrent resolution in the state leg-
islature approving the new freehold-
ers' charter for the city of Glendale.
City Manager T. W. Watson states
that Mr. White has everything re-
quired by law to push the measure
through. He has received the fol-
lowing letter from the assemblyman:

"I have just received a copy of the
resolution of your Board of Trustees
certifying to the charter adoption
and I am endeavoring to have it rat-
ified in the legislature at the earliest
possible date."

Addition to Riverside Library
A \$35,000 addition is being plan-
ned for the Riverside public library
building. As soon as the plans are
completed they will be submitted for
approval to the Carnegie corporation
which will furnish \$25,000 of the

Another Country Club
Add another country club to the
rapidly growing number of such or-
ganizations in southern California.
It will be called Hacienda and lo-
cated between Whittier and Pomona.
It should succeed with its inviting golf
courses and other entertainments for
the week-end with the Quaker City
on one side and the Pomona blue laws
on the other. But how about the
people who can't afford a member-
ship in a country club?

Plan to Control Flood Waters
Plans for controlling the flood wa-
ters of the Mojave river are being
considered by the San Bernardino
county board of supervisors. It is
the proposal of the engineer to
spread the stream at the Victorville
cross by means of porous dams and
thus reduce the velocity of the stream
which has proved a menace to adjoin-
ing property in years past.

Election at Long Beach
To choose the form of government

in the future, voters of Long Beach
will go to the polls Thursday of this
week. There are three issues. One
is whether to continue the present
form of commission government by
voting "No" on both propositions on
the ballot, or whether to adopt a
managerial form of government or
amendments to the city charter that
will revert the commission form of
government to the mayor and coun-

commission form.

BRITAIN'S RAILWAYS
IN CONTEST WITH
MOTOR LORRIES

LIFE OF OLD SYSTEM BEING
MENACED; CANALS, AIRCRAFT
TRANSPORTATION AIDS

By EDWIN W. HULLINGER
United Press Staff Correspondent
LONDON—The motor lorry and
the railroad are in the first phases
of a life and death struggle for ex-
istence as the predominant means of
transportation in England. The odds
are in the former's favor.

The next few decades, perhaps the
next decade, will determine whether
England's internal commerce is to
move largely by means of an elastic,
all-encompassing motor transport sys-
tem, or stick to the present railway
system, connecting the larger distrib-
uting points.

Transportation men in both camps
admit that the fight is on. The issue
really dates back to the big railway
strike in 1919 when the food min-
istry webbed the entire island with
an elaborate motor transport system
which worked far in excess of ex-
pectations.

That demonstration showed not
only that a new method of transpor-
tation was possible, but that on ac-
count of the peculiar topographical
layout of England, the new system
might be even better adapted to the
needs of the island than railways.

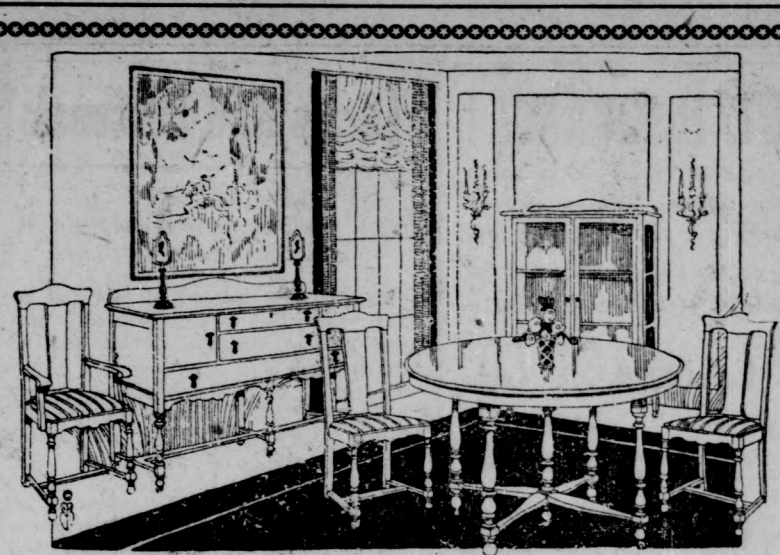

Develop Permanent System
Motor advocates immediately got
busy on the development of a per-
manent system, first as auxiliary to
the railways and later to enter into
open competition, with the hope of
shoving them into the background.
There are many local conditions in
England which make the island a
particularly favorable test field for
motor transport.

England is small. She has the
finest road system in Europe. The
average haul is short. Most ship-
ments are in small lots, which ac-
counts for the tiny freight cars in
use in the railroads. The larger
American box cars would not pay
because they would generally travel
half filled. Controlling the world's
greatest petroleum fields, Britain
would be in a better position to sup-
ply her lorries with fuel than any
other European country.

It is upon these facts that the mo-
tor people predicate their predictions
that the lorry will eventually shove
the box car onto the side track.

Fine System of Canals
A third means of freight transport
is also looming up in the form of
canals. Next to Holland, England
has the finest canal system in Europe.
It already connects many of her
larger cities and is capable of ex-
tension. Water always has been and
still is by far the cheapest mode of
freight conveyance and England's
canals could afford commerce an
opportunity not to be ignored.

Since the war certain big interests
have become aroused to this possi-
bility and important improvements
are already in progress along the ex-

istant canal system. It will be ex-
tended and exploited in the future
as a "third arm" of transport.

Aviation doubtless will take over
much of the passenger traffic be-
tween extremities of the island, such
as London to Glasgow or Edinburgh,
or Belfast and Dublin, but for the
most part England is too small to
offer very great possibilities for the
aeroplane as an agent of interior
communication—in the immediate
future, at any rate.

Competition From France
England's place in aviation, accord-
ing to experts, will be rather as an
international air junction, where
lines from all parts of Europe may
converge.

In this, of course, she will encoun-
ter the active competition of France,
who has the advantage of more cen-
tral location. The French air com-
panies have the further head start
of a generous governmental subsidy.

This latter has already enabled the
French cross-channel air lines to put
the British out of business in a rate
war. When the Frenchmen recently
pulled rates down to six pounds one
way (less than \$24), the Handley-

Page and British Air company gave
up in despair and trundled their ma-
chines back into their sheds. No
English line is now carrying passen-
gers by air.

COMMANDMENTS TO REMAIN ALWAYS, SAYS PASTOR

NEVER WILL BE CHANGED, IS DECLARED BY REV. FUNK IN SUNDAY SERMON

Dr. H. C. Funk, pastor of the First English Lutheran church, spoke yesterday on "Divine Jurisprudence." Following is a resume of his sermon:

"The giving of the divine law produced a profound impression, accompanied as it was with all the artillery of heaven, with thunder and lightning, with the noise of trumpet and the burning mountain. The people were amazed, hastened away and stood afar off. 'And they said unto Moses, speak thou with us, and we will hear; but let not God speak with us, lest we die.'

"As to the meaning of these commandments, we can give no better interpretation than that given by the man whose name we are proud to bear. To illustrate, in that marvelous little book, Luther's Catechism, which is printed in larger numbers than any other book in the world except the Bible, we learn that the eighth commandment means that we should fear and love God, and not falsely belie, betray, backbite nor slander our neighbor, but excuse him, speak well of him, and put the most charitable construction on all his actions. They are the great commandments because they comprise the primal law, and contain the foundation principles upon which all truly civilized nations of the earth must rest. Moreover, as touching the subject of Divine Jurisprudence, permit me to suggest that the questions that arise concerning the acceptance of these commandments we will not consider. The commandments are not thus to be discussed; they are to be obeyed! When God speaks it is not for man to ask the reason why. The commandments are imperishable, immortal, and will stand forever. They are capable of development, but they will never be changed or abrogated.

"Let it be observed that this system of jurisprudence is not the result of man's wisdom; they are not the findings of the Sanhedrin, nor of any other earthly tribunal; the law is of God, a divine jurisprudence, and God is the same yesterday, today and forever.

"But what is the result of this jurisprudence? Let us see. God took a people that had been reduced to a state of abject slavery and selected for their leader a man who was distrustful of himself. In short, he took the son of a Hebrew slave and made him the leader of more than 2,000,000 superstitious, idolatrous and degraded people. They were ungrateful, stiff-necked and rebellious, with a longing after the fleshpots of Egypt. But, behold what God hath wrought! These slaves in forty years were transformed into a nation that became the leaders of the human race; and the power by which this mighty deliverance was brought about was, through this system of divine jurisprudence, the immortal Ten Commandments."

Former Empress Of Germany Summoned

DOORN, April 11.—The former Empress of Germany, Augusta Victoria, died here today at 6 a. m.

Warned by the long illness of the kaiserin, most members of her family were at Doorn when death occurred.

The empress was a victim of heart trouble. The illness was aggravated by worries of the world war and the kaiser's flight into Holland in the fall of 1918.

The funeral will be held at Potsdam, where the empress reigned for thirty years. The body will be taken there Wednesday after preliminary services here tomorrow. Only members of the family will attend the ceremonies in the chapel here.

It has not been decided as yet whether the kaiser can accompany the remains to Potsdam. It would be his first visit there since 1918. Others of the family will make the journey.

The kaiserin's death was peaceful. In her chambers at the time were the former kaiser, their third son, Adelbert, and the physician.

Wilhelm, after leaving the death chamber, was reported to have accepted his loss stoically.

The castle, which was always carefully guarded, was doubly watched today in the expectation that large crowds would gather to watch the arrival of relatives and sympathizers.

INDIFFERENCE OVER RIGHT WAYS NEW CRUCIFIXION

DO NOT LET CROWD BECOME YOUR CONSCIENCE, URGES REV. C. M. CALDERWOOD

The subject of Rev. C. M. Calderwood's sermon at the Congregational church yesterday was, "What Shall I Do With Jesus?" He said in part: "Pilate had no right to ask this question, for final judgment in this case rested with himself. The attempt to evade responsibility by casting it upon the Jews was shameful and cowardly. It was for him, not the rabble, to decide what should be done with Christ. In the crisis of his life, in the supreme moment of history, in one of the sublimest moments that God ever gave to man for moral greatness, Pilate failed.

"What has the world done with Christ? Good things and evil. The world has crucified and rejected Christ. It has left him out of the most of its affairs. Social life has been too selfish to accept Christ. Politicians have despised the 'Sermon on the Mount.' Statesmen and diplomats have lied and stolen from each other and have left Christ out of consideration. 'The church has not always been fearless in teaching what Christ taught.

Left It To Mob?

"What have you done with Christ? Left it to the mob? Have you simply admired the character of Jesus? Have you let the crowd become your conscience? Have you taken the problems of your life to Him for solution? You may have ignored Christ and thus have crucified him. 'What can you do with Christ? You can take him into account. You can enshrine, honor, exalt and serve Him. Let Him dominate you and use you for good.

"What will you do with Christ? Yours is the answer. A man's moral attitude toward Christ is a perfect revelation of himself. Every problem of life reduces itself to this question. Every soul is a judgment hall wherein Christ is always on trial. Life with each of us is a continuous crucifixion or exaltation of Christ. On which side do you stand? You can't be neutral on this. Pilate tried to be neutral but he could not. His neutrality meant crucifixion.

New Crucifixion

"Whether we so intend it or not, every thought, word, deed, is an answer to Pilate's question. In everything I do I am deciding the fate of Christ in the world. Every compromise with wrong, every tolerance with sin, every failure to be a brother to my fellow men, is a betrayal of Christ. Every bit of selfishness in me, every indifference to other people and races is a new crucifixion of Christ.

"You are either exalting or crucifying Christ in your business deals, in your professional practices and in your social relationships. You can think nothing, love nothing, decide nothing that is not either a rejection or an acceptance of Christ.

"You are deciding the fate of a living and not a dead Christ. As truly as Pilate you are sitting in judgment on a living Christ. Christ appears to us in every moral and spiritual crisis not only as an historical character but as a living personality. We can irrevocably lose our opportunity as Pilate did, or we can come forth new souls, strong in the night of the Lord.

"When we turn from the divine voice that is within our souls, the answer will always be, let him be crucified.

"What we did in the past will not answer the present question. It is a present question and demands a present answer. A past consecration will not be a substitute for a present decision.

"What will you do with Christ? He is now on trial in your soul. This is a question that gathers eternally into every moment. The question comes from the heart of hearts of God. It is a question that you must answer whether you will or no."

Seventeen Days Left For Legislature Acts

SACRAMENTO, April 11.—The California legislature has seventeen working days ahead of it in which to complete the business of hundreds of bills as yet not even before committees. Each house must complete action on its own bills within ten days, the last seven days being given over by the senate in considering assembly bills and by the assembly in considering senate bills.

One of the features of this week will be the governmental reorganization plan, which is scheduled to be presented by the joint assembly and senate committee considering reorganization.

The general appropriation bill will get before the legislature this week. The senate finance committee will hold hearings on soldier aid bills, including the Scott soldier bonus bill.

Prohibition enforcement will again be wrangled over when the Wright act is taken up for final action.

Other measures to be considered this week are:

Final action on the bill to abolish the farm for delinquent women; the bill restricting the practice of law to lawyers; San Francisco harbor control bill and the indeterminate franchise bill.

Industrial Strife In England Crushed

LONDON, April 11.—Britain's threatened industrial revolution was regarded as crushed today.

Sentiment against striking was reported growing in the railway and transport ranks and there were indications that miners, owners and representatives of the government will make important concessions to gain peace. The miners' negotiations were reopened at 11 o'clock this forenoon with Sir Robert Horne presiding. Premier Lloyd George made a brief address and the gathering adjourned until 4 p. m.

Lloyd George's address was not made public, but it was said to have been conciliatory, possibly indicating the government will offer an interest free loan to tide the industry over its difficult period.

It was reported that the premier intends calling a general election for June. This report had a quieting effect on labor in general. Laborite leaders predicted they will assume control of the government. The miners' agreement to permit pumping of pits was believed to have saved most of the mines from permanent damage. However, an official estimate showed twenty pits in Scotland and eighteen in Wales almost ruined.

Jimmy Murphy Is Auto Race Winner

LOS ANGELES, April 11.—Motor speed pilots have a new mark to shoot at as a result of the performance of Jimmy Murphy, who yesterday captured the sprint honors by driving a Duesenberg at an average of 109.3 miles an hour on the Beverly saucer speedway.

The best previous average was 107.37 miles, made by Roscoe Sarles. Ralph De Palma's proverbial hard luck put him out of the running in yesterday's championship final event when he apparently had the fifty-mile dash in his grasp. His Ballot caught fire at the eleventh lap and he was forced to bring it to a halt. While the flames were being extinguished Murphy and Sarles flashed past.

Murphy finished about quarter of a lap ahead of Sarles. Eddie Pullen, who had got off to a bad start, came in third, a full lap behind the leaders.

BROTHERHOOD NEEDS GREATER POWERS, MORE GENUINE

GREAT INTEREST DISPLAYED IN SERVICES CONDUCTED AT METHODIST CHURCH

Good attendance and a marked interest were manifested at both services of First Methodist Episcopal church yesterday. The topic and discourses by the pastor, Dr. C. M. Crist, were with special reference to the approaching evangelistic services. A resume follows:

"Morning text was from Matthew 3:11. The words of John the Baptist, 'I indeed baptize you with water unto repentance, but he that cometh after me is mightier than I, whose shoes I am not worthy to bear, he shall baptize you with the Holy Ghost and with fire.' Christ's ministry was a ministry of life, said He. 'I am the way, the truth and the life.' 'I am come that ye might have life and that ye might have it more abundantly.' John's baptism as the text declares was a baptism to repentance, and the initiative to a greater baptism. Water was but a symbol. While there is no question as to the explicit command for water baptism there is no doubt but we have stressed it too much and laid too little emphasis upon the greater and more important baptism of the Holy Spirit. And this is manifestly more true of the present time than in the past, until largely we can say as did the church at Ephesus in answer to the Apostle Paul's query, 'Have ye received the Holy Ghost since ye believed?' And they said unto him: 'We have not as much as heard whether there be any Holy Ghost.' The early disciples were told to wait and not to depart from Jerusalem to spread abroad these glad tidings of great joy, a risen Savior, ascended Lord until they should be baptized as he had promised with the Holy Spirit.

Many Are Converted
"No doubt but they were anxious to start, but Christ had said, 'Tarry.' They obeyed and that great event, the Pentecost, resulted. Three thousand were converted and an impetus given to the early church that nothing could stay. This is God's promise to us and to our children. The plan is not alone for the pulpit, but also for the pew, if we will but pay the price. 'Ye shall be filled with fire.' Now fire has certain offices to perform. First, it destroys, it consumes. There is a great deal in us that needs to be destroyed, to be consumed; second, it warms. This is a cold, hard world and it needs the warming and softening effect of the Holy Spirit to make us more kind, more considerate of our fellowmen.

"Fire purifies and refines. The beauty and sparkle of the gold comes as a result of the fire. Can we stand the test? Well did Charles Wesley say: 'Refining fire go through my heart, illuminate my soul, scatter thy light through every part and sanctify the whole.' Fire warms a cold, torpid world that unappreciates Christ's great gift to the world. "We need a greater and a more genuine brotherhood. We will only get it through the baptism of the Holy Spirit. It is the only antidote to selfishness. It alone can transform the hardest sinner or coldest church member. And heaven knows how much they both need it. The whole world needs it, but Glendale is our closest point of contact, and may the special evangelistic services help to usher in its blessed presence into our hearts and lives."

At Evening Service
Mrs. Crist gave a stirring five-minute address in behalf of the Woman's Missionary societies of the church. At the evening service there was special music by the Euclid Quartet of Los Angeles, composed of Miss Turner, Mrs. Hunter, Mrs. Crane and Mrs. Fritz, Miss Morton, accompanist. The minute-man address was by W. F. Tower. The sermon was a plea for greater efficiency in Christian service. Text 2 Timothy 15. "Study, to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Dr. Crist briefly reviewed the study character of the Old Testament and the fidelity of the early fathers, and the perfect example of Christ. "But our greatest concern is with the present. The work that remains to be done and the crying need of approved workmen," he said. "The king's business is a continuous task, and it is our job. What are the conditions of efficiency?" "First—Character; being is fundamental. "Second—Energy and enthusiasm. The king's business requires haste. Needs it more than ever; needs it all the time—an all the year round revival.

"Third—A knowledge of God's word. We may possess but few other qualifications, but if Bible-filled we can succeed; and a knowledge of God's word comes not by a miracle, but by study. "Our interest will be enhanced and our success more rapid if we first become acquainted with the author. God is calling us to service. We all have an important task to perform. We must avail our-

San Fernando Valley

Dates for Fair Set
Directors of the San Fernando valley fair and market to be held in San Fernando have set September 14 to 17 inclusive as the dates for the great exposition of agricultural and industrial resources of this section of southern California.

Dealing in Oranges
The Citrus Growers' Cash association in Pacoima is now dealing in navel oranges and shipping about two carloads daily. They are contemplating an eastern consignment by ship, it is understood, in view of the successful experiments of other associations.

Record for Building
San Fernando's March building record was \$65,115. It is said to be the biggest month on record for the number of permits. In 1920 \$200,000 in new structures were noted, but this figure is likely to be exceeded in 1921.

Chautauqua at Burbank
Burbank will have a chautauqua open this coming Friday for six days. The tent for the event will be pitched opposite the city hall. A campaign of publicity is now under way for the event.

San Fernando, too, has a chautauqua which starts today. Seems as though the valley is pretty well covered by the tented talent. Glendale's turn at entertainment will come May 11 to 17.

Tujunga Minstrels
The Tujunga minstrels made their initial bow Friday night at Bolton hall. According to reports it was as good a performance as professionals might give. A feature of the program was Mrs. Rossi Gish Buck's violin solo, "Souvenir," by Drda.

Drilling for Oil
Drilling started last week on another well in the vicinity of Owensmouth with the prospect of getting oil. The rig is located on the Fisher lease in the Woodward tract near Chalk Hill and people are flocking daily to the scene of the excitement in the upper San Fernando valley.

To Consider Paving
The Tujunga Chamber of Commerce has called a meeting of property owners on Sunset boulevard to consider the paving of that thoroughfare. Summit avenue also may be paved between Sunset and the state highway.

Pest Attacks Cucumbers
Cucumbers being raised under glass in the vicinity of Van Nuys have been ruined by a pest which J. B. Perret, horticultural inspector for Los Angeles county, is investigating. The only remedy seems to be the sterilization of the soil by steam.

Higher Thought College
W. Frederic Keeler has purchased twenty-one lots on the state highway at Palm street in Tujunga where he will establish a Higher Thought college, the initial unit to be built immediately. This college will be closely associated with the College of Practical Metaphysics and the American University of Metaphysics which are established in Los Angeles.

Crew Reaches Roscoe
The construction crew of the Midway Gas company has reached Roscoe with their pipe-laying work. And all this within ten days from the time they began the section from San Fernando. The ditch has gone ahead to within Burbank's city limits.

Avenue Inundated
Palm avenue in Burbank was inundated when the city reservoir was being cleaned a few days ago. Some residents wondered whether the ark which had been built on the adjacent hillside had been set afloat.

To Erect Building
L. O. Branson will erect a one-story brick building, 25 by 90 feet, on Porter avenue at San Fernando. It will have an enameled tile front with plate-glass show windows according to the plans being prepared for the structure.

Banker Plans Residence
T. Quincy Hall, treasurer of the Los Angeles Security Trust & Savings bank, has plans ready and his architects are receiving bids for a new residence on Mrs. Hall's five-acre estate at the corner of New York and Michigan avenues in La Crescenta.

UNFAIR DISCRIMINATION
Nicholas watched his papa give his two older brothers money for carfare and money for the collection at church. He wanted to go to church also, but his papa told him he would have to stay at home. "Why don't you make them kids stay home? They are the ones that always want the nickels."

selves of all the aids he has provided. And added to these he will crown us with the Baptism of the Spirit. And we shall indeed be workmen that needeth not to be ashamed." Special events for the week are the entertainment by the J. O. C. class on Monday evening and an address by Dr. Wilse Martin, pastor of the First Methodist Episcopal church of Hollywood to Brotherhood on Friday night.

GREAT RECREATION CENTER PLAN FOR GRIFFITH PARK

GREEK THEATRE, BIG PLUNGE, PLAYGROUNDS AND ZOO AMONG ATTRACTIONS

Of exceeding importance to Glendale, due to its proximity to Griffith park, is the announcement made in Los Angeles by Van M. Griffith that he intends to make that civic estate—donated to the metropolis by Col. G. J. Griffith—the largest and most attractive municipal recreation center in the United States.

When completed it is expected that there will be in the Vermont avenue canyon a \$100,000 Greek theatre, a large swimming pool, tennis courts, playgrounds, picnic grounds and one of the largest zoos in America.

A provision of \$500,000 in the estate for the building of an observatory for the benefit of the University of Southern California and the city is included in the complete plan of development, according to Van M. Griffith.

Means Much to Glendale
Many details of the plan remain to be worked out, but whatever is done means much to Glendale which is really closer to the park than the larger part of Los Angeles.

In regard to the zoo, the present site accommodates only herbivorous animals, but should it be moved to the Vermont canyon side the animals from torrid zones would be better climatically suited.

An agreement will be sought with motion picture companies to house their jungle beasts in the municipal zoo, thus providing an abode for them and also permitting public exhibition.

RESOLUTION NO. 1180

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE CALLING A SPECIAL ELECTION TO BE HELD ON THE 26TH DAY OF APRIL, 1921, IN THAT CERTAIN TERRITORY CONTAINED WITHIN THE BOUNDARIES OF PROPOSED MUNICIPAL IMPROVEMENT DISTRICT NO. 4 OF SAID CITY, PROVIDING FOR SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF INCURRING A DEBT BY ISSUANCE OF BONDS OF SUCH DISTRICT FOR THE PURPOSE OF ACQUIRING AND CONSTRUCTING WORKS FOR DISTRIBUTING AND SUPPLYING WATER TO THE INHABITANTS OF SUCH DISTRICT, INCLUDING THE ACQUISITION OF LANDS, WATERS, WATER RIGHTS, EASEMENTS, RIGHTS OF WAY, STRUCTURES, PIPES, PIPE LINES, APPARATUS AND ALL OTHER PROPERTY, AND THE CONSTRUCTING OF MAINS, CONDUITS AND OTHER WORKS NECESSARY FOR SUCH PURPOSE; PROVIDING FOR THE ISSUANCE AND SALE OF SUCH BONDS FOR SUCH PURPOSES AND FOR THE LEVYING OF A TAX FOR PAYMENT OF SUCH BONDS; AND ESTABLISHING ELECTION PRECINCTS AND POLLING PLACES IN SAID TERRITORY AND APPOINTING THE OFFICERS OF ELECTION FOR SAID SPECIAL ELECTION.

WHEREAS, On the 3rd day of March, 1921, a petition was filed in the office of the City Clerk of the City of Glendale and ex-officio clerk of the legislative body of said city, to-wit:

The Board of Trustees of said city, requesting that proceedings be taken under the provisions of an act of the Legislature of the State of California, entitled, "An Act to Provide for the Formation of Districts Within Municipalities for the Acquisition or Construction of Public Improvements, Works and Public Utilities; for the Issuance, Sale and Payment of Bonds of Such Districts to Meet the Cost of Such Improvements, and for the Acquisition or Construction of Such Improvements," approved April 20th, 1915, and amendments thereto, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose, and said petition was signed by not less than ten per cent (10%) of the qualified electors of the territory so proposed to be formed into said Municipal Improvement District No. 4.

WHEREAS, In pursuance of said petition and of the act of April 20th, 1915, the Board of Trustees of the City of Glendale on the 17th day of March, 1921, passed an ordinance designated as "Ordinance No. 431" for said city containing the matters prescribed by said act and declaring the intention of the Board of Trustees to call an election in that part of the City of Glendale contained within the boundaries of said proposed municipal improvement district to be known as Municipal Improvement District No. 4 of the City of Glendale, for the purpose of submitting to the qualified electors of said district the proposition of authorizing the issuance and sale of bonds of such district in the manner provided for in said act, to meet the cost of said proposed improvement and said ordinance was approved and adopted by the Board of Trustees of said City on the 17th day of March, 1921, and was thereafter duly published as provided by law; and

Beginning at a point where the northerly Right of Way line of the Pacific Electric Railway is intersected by the Southerly prolongation of the Easterly line of Lot 10 of the Hunter Subdivision of a part of the Rancho San Rafael as per Map of same Recorded in Book 5, Page 395 of Miscellaneous Records of Los Angeles County, California; thence northerly along said southerly prolongation of the Easterly line of said Lot 10 and along the Easterly lines of Lots 7 and 8 of said Hunter Subdivision and the Northerly prolongation of said Easterly line of said Lot 7 to a line drawn 30 feet northerly from and parallel with the Northerly line of said Lot 7 of said Hunter Subdivision; thence westerly along said line drawn 30 feet Northerly from and parallel with the Northerly lines of Lots 7 and 8 of said Hunter Subdivision to the Southerly prolongation of the center line of Grand View Avenue; thence northerly along said Southerly prolongation of said center line of Grand View Avenue and the center line of said Grand View Avenue to the center line of Mountain Street; thence northerly along said center line of Mountain Street to its intersection with the westerly boundary line of the City of Glendale; thence southerly, southeasterly, northeasterly and southeasterly following the various courses of the westerly boundary line of the City of Glendale to a point on said westerly boundary line seven hundred and fifty (750) feet northwesterly measured thereon from the northwesterly line of Tract No. 646, as per map recorded in Book 15, Pages 162 and 163 of Maps, Records of aforementioned County; thence northeasterly in a direct line to the point of beginning.

SECTION 2. The objects and purposes for which said proposed improvement is to be incurred are the acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus, and all other property, and the constructing of mains, conduits and other works necessary for such purpose.

SECTION 3. That the estimated cost of said proposed improvement is \$30,000.00, that the amount of the principal of the indebtedness proposed to be incurred is the sum of \$30,000.00 and the rate of interest to be paid on said indebtedness shall be six (6%) per centum per annum, payable semi-annually.

SECTION 4. The polls of said election shall be opened at 6 o'clock a. m. of the day of the election and shall be kept open until 7 o'clock p. m., when the polls shall be closed, except as provided by Section 1164 of the Political Code of the State of California.

SECTION 5. That there shall be printed on the ballots to be used at said special election, in addition to the other matters required by law, the following proposition to be voted on, to-wit:

"Shall that certain proposed Municipal Improvement District known as Municipal Improvement District No. 4 of the City of Glendale, incur a bonded debt of \$30,000.00 for the purpose of acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose?"

That opposite the above proposition to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines with voting squares thereafter, and electors shall vote on said proposition by stamping a cross (X) in the voting square after the answer they desire to give.

SECTION 6. For the purpose of holding and conducting said special election, said district as above described shall constitute one election precinct denominated as Special Election Precinct No. 1 and the following polling place in said precinct is hereby designated and the following named election officers therefor are hereby designated, to-wit:

Special Election Precinct No. 1.
All of said Municipal Improvement District No. 4.
Polling Place: Mr. C. Elspersman's Garage, situated on the South Side of 10th Street between Grand View Avenue and Winchester Avenue. Inspector, Anna M. Ashbury; Judge, Mrs. Myrtle Buckman; Clerk, Mrs. Edie Learned.

SECTION 7. That in all particulars not recited in this resolution, such election shall be held and conducted as provided by law for holding general municipal elections in said City of Glendale.

SECTION 8. The City Clerk shall certify to the passage of this resolution by the Board of Trustees of the City of Glendale and cause the same to be published five times in "The Glendale Evening News," a daily newspaper printed, published and circulated in the City of Glendale.

DWIGHT W. STEPHENSON, President of the Board of Trustees of the City of Glendale.

Tests Show That

Glendale City Water

Is far above the standard of purity required by any Board of Health. In a recent report by the City Manager, he says:

"It has been called to our attention that parties soliciting for the sale or rental of water percolators are at least inadvertently creating an impression in the minds of some of the people of Glendale that the water supply is not pure and that it is unfit for human consumption as it is taken from the tap for domestic purposes, and that by the use of percolators the water may be made pure and wholesome. These impressions are erroneous.

"The water by sterilization is brought to a high degree of purity far beyond that which is required either by the United States government or the California State Board of Health before it enters the distributing

system. This is substantiated by reports of the bacterial count of water samples taken daily before and after sterilization.

"We have also caused samples to be taken of water drawn from the distributing system and placed in certain of these water percolators; also samples from the same percolators several days later, and in all instances we find that the bacterial count has been multiplied many times in the short period that the water has been confined in these percolators, demonstrating clearly that the percolators only enhance any danger to health that might exist on account of disease-producing bacteria in the water supply."

LOYALTY IS TOPIC OF ADDRESS BY REV. EDMONDS

INSTALLATION OF NUMBER OF
NEWLY CHOSEN DEACONS IS
IMPRESSIVE CEREMONY

The Sunday morning sermon at the Presbyterian church by Rev. W. E. Edmonds was especially in view of the installation of a number of newly chosen deacons and elders. It was founded upon words in Philippians 1:27, (as literally rendered in the Moffatt translation), "Only DO lead a life that is worthy of the gospel of Christ." An outline follows:

"For nineteen centuries the church has been at the work Christ set it at. In spite of all previous civilization and all they accomplished, there was no name given among men whereby they should be saved. We are hearing a great deal about civilization going ahead. No! It follows. The old civilizations are all dead. The new is out of the Bible. Wherever the Bible has gone civilization has gone. But the church has been losing ground, losing its grip upon the conditions of the world. Yet, the only way you can measure the word of the church is by its converts. There is today a pall over the world. Did you ever go out and see a pall through the air from the smudge pots? That is the way with the whole world today.

"First—Look with me at a three-fold loyalty. Loyalty as it pertains to our task. It is a trite saying that the good is the enemy of the best. Always men have been very much concerned with material things at the expense of the spiritual. There were forms of government in ancient times that were perfect, yet they died out. There were splendid educational systems, but they left religion to the weaklings. We now look ahead; we look to a coming king. Ours is a spiritual task; after all things are ended, our spirits will still be living.

"William Carey said, 'My business is preaching the gospel. I only cobble shoes to pay expenses.' So, 'My business is to save souls.' The task is a great one. It is never laid down. It takes great men. As prophets, you are called to be watchful men upon the walls. The strong men are too few in the church today. There are men who can 'put it across' for all great projects. Why are there so many who say, 'It can't be done?' 'Put on thy strength,' 'Be strong in the Lord.'

Divine Institution
"Second—Loyalty to the church. The church is a divine institution. Now some people say, 'One church is as good as another; we are all going the same way.' What is meant by that? These cults and isms all think theirs is the very best, and never for a moment say that one is as good as another. This church stands for certain things—the foundations as they are in the New Testament; the total inspiration of the Scriptures; if this is not the word of God we are standing on quicksand. The virgin birth of Christ; if this were not true, then He was a bastard. And the Atonement; and the new birth; a personal devil; and everlasting punishment for the sinner who refuses the offer of salvation. This church does stand for the whole gospel and makes no apology for it. Some thing they must go outside for the truth of divine healing; but this pulpit has always taught divine healing, for it is in the Book. But some of the highest Christian character has been developed in victory over sickness. Sickness has its holy ministry as well as health.

"Be loyal to that church which is loyal to the whole truth; and in this, one church is not as good as another.

"Third—Be loyal to the Lord Jesus Christ. People may be loyal in a general way and to the task, and yet not to Christ. It is not possible to be on neutral ground here; it is for or against. There are three ways in which this loyalty will be manifest if it be real. First, in worship—not worship of the pastor or organizations or abilities. Worship Him. Second, love. Does the Lord know that you love him? Third, service. Not what you say, but what you do. Whether our task be great or small, so long as it is our task it is important. He of the talent is under no less obligation than he of the five. The reward is sure. By your fruits you shall be known."

Capital And Labor To War, Predicted

LONDON, April 11.—"The approaching strike is the opening of a general decisive war between capital and labor," Ramsay MacDonald, labor leader in parliament, declared in an interview with the United Press today.

MacDonald added that "if the general strike is not averted British industry will be paralyzed within a week."

There may be some "head breaking," but it will not be the result of "deliberate planned bolshevism." The workers now thoroughly distrust the government, believing it is an unwitting tool of capital. The miners "hate capital now as never before."

Community Programs Planned For Church

Illuminating information on the mission work of churches in local fields was given by Dr. W. L. Y. Davis, Pasadena district superintendent of the Methodist conference, who delivered the dedicatory sermon at the Casa Verdugo Methodist church yesterday afternoon. He said:

"While this is a Methodist church, we feel broad enough to put on community programs. Christ will be the essential theme. In the district superintendent's convention we decided that where communities could support only one church, it is to be assigned to one of the orthodox protestant denominations—that is the same way we have worked in the foreign mission fields successfully."

Cotton Acreage In Imperial Reduced

LOS ANGELES, April 11.—That the 1921 cotton acreage in the Imperial Valley of California probably will be reduced from 50 to 60 per cent and that the cotton land so abandoned will be planted to alfalfa, fruits and melons, is the belief of J. Dabney Day, vice president of the First National bank here and one of the leading authorities on cotton in the Pacific Southwest.

"The superior quality of the valley cotton has caused it to be marketed in larger proportions of the total crop than is the case with southern cotton," Day said today in discussing disposal of the present crop.

"Approximately 40 to 50 per cent of the 105,000 bales grown in the Imperial Valley has been sold and moved. During the past few months approximately 10,000 bales have been sold to Japanese firms and moved to Japan through Los Angeles harbor."

Several Japanese firms, heretofore located in Texas, are establishing offices in Los Angeles and plan to buy cotton for Japanese consumption, he said, because it is a shorter haul from here to Japan, costs of transportation are cheaper and the quality of the valley cotton is superior.

There will be an appreciable decrease also in Arizona cotton acreage, Day believes.

Will Rogers Feature Palace Grand's Bill

Will Rogers, the eccentric screen star, never had a part that fitted him so well, and in which he scores a greater hit, than in his latest role as "Peep O'Day" in "Boys Will Be Boys," by Irvin Cobb, a Goldwyn picture being shown at Palace Grand theatre again today. It is the story of a "town character," who, having been reared in an orphan asylum, grew to a ragged and drab manhood without a taste of real boyhood. Then, unexpectedly, he falls heir to a fortune in far-away Ireland, and determines to make up for lost time and buy the red-topped boots he craved as a boy, and all the candy he could eat.

It was this queer manner of spending his fortune that aroused the aversion of a money-lender, who plans to have Peep adjudged insane, and obtain control of the money. Another schemer, a woman neighbor of Peep's, also has designs in the same direction, but her plan is to get Peep to marry her.

A delightful love-story, centering about a young lawyer in the town and the school-mistress is interwoven in the plot.

"Pretty Lady," a two-part comedy, proves pleasing, too, and "The Rosary," featuring a cornet duet, is the orchestra's special number. Tomorrow "The Roads of Destiny" is the feature.

TOO MUCH "TABOO"

William visited grandma, but was not permitted to touch the breakable articles in the house. At the arrival of his mother he said: "Let's go home, ma. Everything in this house is 'don't touch.'"

COLORING ARC-LAMP GLOBES

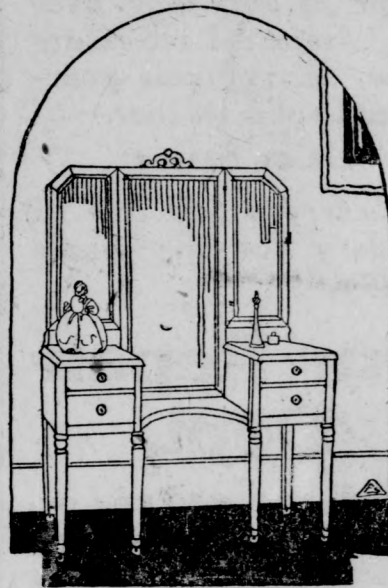

The purple color of arc-lamp globes is due to the use of manganese in the glass. The manganese is used to counteract the greenish color that comes from ferrous salts in the glass, but the action of light on the manganese only substitutes a purple coloration for a greenish hue.

THEY RESIST DECAY

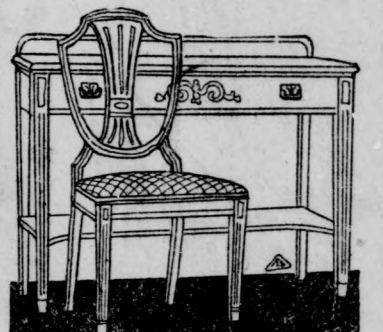

The Northwest Indians nearly always made their totem poles out of western red cedar, but this choice was probably due more to the fact that the wood is easy to work and extremely durable, rather than to its fragrance, says the American Forestry Magazine of Washington. It may be taken as a very good general rule that woods that are scented are resistant to decay and insect attack, and have good cabinet qualities.
